what?

...a family-friendly event designed to benefit underserved Bay Area children.

WWFC makes fitness fun with sports drills, and a chance to meet Stanford and professional athletes. Enjoy arts & crafts, photo-ops with athletes and mascots, fitness activities for all ages—and more!

— Snacks and drinks included —

why?

...we want every child to dream big and believe in themselves.

We connect underserved children with athletes and create experiences that provide kids with hope and direction.

to whom?

Funds raised provide access to sports and fitness for underserved populations in our community.

how?

Ways To Help

- 
- [1] Sponsorship

us?

WWFC creates moments of wonder that spark a lifetime of possibility.

Since 1994, Wender Weis Foundation for Children's focus has been to improve the lives of underserved children in the San Francisco Bay Area by supporting programs that boost self-esteem and foster self-confidence through sports, health, and education. Our signature events, **Children's Champions** and **Holiday Heroes**, offer unique event experiences for at-risk youth and raise funds that benefit some of the region's most innovative non-profit youth-serving programs.
